Ministry Schedule Program Problems

If you are a Lector, HEM, Extraordinary Minister of Communion, or Altar Server and have not received your Spring Ministry Schedule, they are located in the bookcase across from the Gather Area.

A lot of you who have received your schedule are finding problems with having the wrong Mass time, being left off the schedule entirely, and only God knows what else.

When we upgraded to the latest version, a lot of the information came over incorrectly. I also had a lot of problems setting up Special Masses and just basic printing of schedules. In talking with the software company, they promised that these problems would be resolved by February 15th. They then moved it to March 15th!

We were faced with either getting the schedule out with all these inaccuracies or not at all. So, please, if your information is incorrect, we hope to correct it with the Summer Schedule.

I ask that all ministers, especially EMCs and Altar Servers, come forward to serve as needed. We have a lot of "NEED VOLUNTEERS" during Holy Week and for the Easter Liturgies.

If you are a Server or HEM and are available for any of the Masses, please email or phone the office. **EMCs:** Please come forward to serve when needed. Thank you for your patience. You can reach me at pam.comeaux@hollyfamilycc.com or 373.4696, Ext. 225.
