Parish Hall Guidelines

Holy Family Catholic Church Parish Hall Policy

We are happy that you are considering using Holy Family's Parish Hall for your event. This facility is available for parish, parishioner, and non-parishioner activities that are consistent with the Mission and values of Holy Family Catholic Church as listed below:

"Being centered in Christ, nurtured by the Eucharist, our covenant is to extend Christ's peace and compassion to all. The Mission of Holy Family parish is to be a loving, joy-filled Catholic community of faith, dedicated to the growth of God's Kingdom and the living of the Gospel. We are committed to spiritual development through prayer, education, worship, and service."

To have your event run smoothly, the following policies are in place.

SCHEDULING/RESERVING SPACE

Scheduling requests should be made via HFCC's online forms listed below. If you are reserving space for a **Parish Sponsored Events**, please use this form:

<https://bit.ly/bookhfcc>

If you are reserving space for a **Non-parish Sponsored Event**, please use this form:

<https://bit.ly/HFCCreservations>

All forms/guidelines can be found on our website: <https://holyfamilycc.com/facility-use>

All non-parish sponsored groups must provide a copy of a Certificate of Liability Insurance. (See INSURANCE.)

For purposes of reserving space at Holy Family, the term "parishioner" is defined as a person/family officially registered through the parish office and actively participating in the life of the parish for one year before any inquiry and request to reserve space. Exceptions will be made for persons/families who have joined the parish within the past year and have a letter of reference from their previous parish stating they were active, contributing members of that parish.

The Parish Hall will be available in the following order of priority:

1. Official parish events. "Official" is a group or organization that comes under the different parish committees.
2. Parishioners for appropriate functions.
3. Non-parishioner events by groups with objectives that are consistent with the Mission and values of Holy Family Catholic Church, who are known to Holy Family Catholic Church, and are approved by the Pastor or his designated staff representative. Holy Family will rent to charity and non-profit groups but not to for-profit groups whose purpose is to make money.

Facilities may be reserved by an individual or group hosting and responsible for the event. Reservations are not accepted on behalf of another individual or group (i.e., a parishioner reserving space for a non-Holy Family activity or organization).

HFCC reserves the right to cancel any use agreements at any time if a group does not meet the above qualifications and/or is not in compliance with Holy Family's Mission and our ***Facility Guidelines & Policies***.

The number of events scheduled in the Parish Hall on a given day will depend on the type of event. One wedding reception in the Parish Hall will be allowed per day. Multiple events may be scheduled on the same day to be decided on a case-by-case basis depending on the time involved and clean-up arrangements required.

Evening events/wedding receptions must end by 9:00 PM, and caterers and cleaning crews should vacate the premises no later than 10:00 PM. Holy Family requires bars to close one hour in advance of the scheduled end of the event. Any use of the building past 9:00 pm must be approved by the Pastor or Facility Director.

RESERVATION CONFIRMED

For PARISH-SPONSORED EVENTS, once the event is approved, you will receive an email from the Facility Director and be contacted by the Parish Office Administrator confirming your reservation. The event will be put on the church calendar.

For NON-PARISH SPONSORED EVENTS, the event will not be confirmed until we receive the security deposit and Certificate of Liability Insurance. Once the Parish Office Administrator confirms the security deposit and Certificate of Liability Insurance has been received, you will receive an email from the Facility Director and be contacted by the Parish Office Administrator confirming your reservation.

ACCESS

Individuals approved by the Facilities Director may arrange through the parish office to have access before an event to do set-up and event preparation. Holy Family staff will lock the building.

To provide supervision and assistance, a staff person will be on call during events. The renter will be given a contact name and number in the event the staff person needs to answer any questions or come on-site.

ALCOHOL POLICY

Permission to serve alcohol at any event must be approved by the Facility Director in the parish office. The use of alcohol must always be supervised. Serving minors is strictly prohibited. An open bar and/or unsupervised serving of alcohol is prohibited.

Renters are responsible for ensuring that bars are run by bartenders who are experienced in controlling the use of alcohol. Professional bartenders are recommended. Bars must always be attended.

Holy Family Catholic Church requires the serving of alcohol to end one hour in advance of the scheduled end of the event.

Kegs are allowed but must be kept in a watertight container always on the tiled floor.

ANIMALS

No animals are allowed in parish facilities at any time except service dogs.

AUDIO-VISUAL EQUIPMENT

If HFCC's audio-visual equipment is to be used for **non-parish** sponsored events, a parish staff member is required to run the equipment. The fee is \$100-\$200, depending on the services required. To connect to the HFCC projector for a presentation, you must bring in a laptop. The external device must have an HDMI output with an HDMI cable. HFCC is not responsible for the functionality of non-HFCC equipment. It is recommended that you bring your equipment and presentation media in for a test run before your event.

At **parish-sponsored** events, arrangements must be made through the Facility Director.

BANDS/MUSICIANS

Bands must bring all their equipment. Please check with the band to find out what power is needed and discuss with the Parish Office Administrator or Facility Director to be sure there is adequate power. To ensure a successful event, a representative of the band/musician or DJ must contact the office to coordinate requirements.

BUILDING HOURS

Facilities are regularly available from 8:30 am – 9 pm. Any use outside these hours must be approved by the Pastor.

CATERERS/HIRED EVENT COORDINATORS

The parish office must be supplied with a copy of the contract the renter makes with the caterer for the event. This will show what the caterer is going to do or not do.

All outside vendors (i.e., caterers) are required to provide the parish with a Certificate of Liability Insurance documenting general liability coverage for \$1,000,000 per occurrence. The Certificate of Liability Insurance (COI) must name Holy Family Catholic Church and the Diocese of Nashville as "Additional Insureds." We cannot be "Certificate Holders."

An Event Coordinator hired by a renter must consult with the Parish Office Administrator or Facility Director before using the Parish Hall and provide a Certificate of Liability Insurance (see above).

CHILDREN

Children under 18 are to be supervised by an adult 21 years or older. For safety reasons, no child under 12 years of age may be in the kitchen. Childcare facilities are not available for private functions.

CLEAN-UP

For non-parish sponsored events for which the Parish Hall is rented, the renter is responsible for paying a custodial fee of \$400 for setup and clean up. All items brought in for the event must be removed by the renter at the end of the event. For outside vendors (e.g., linen rentals, chair, or table rentals), drop off and pick up time must be coordinated with the Facility Director.

For parish-sponsored events, a clean-up committee needs to be appointed to handle cleanup responsibilities.

Clean-up includes:

- Take away all items brought in and all rentals.
- Wipe up spills on the carpet and notify Holy Family staff of all spills on carpets or wet spots.
- Inspect the wood floors for spills and wipe up as needed.
- Turn off all lights before leaving.

DECORATIONS

Decoration plans are to be submitted to the Facility Director for approval before the event. Information should include a brief description of the plan and materials to be used. Decorations must meet Fire Codes. Flammable materials are NOT allowed.

Decorations cannot be taped, tacked, or nailed to doors, walls, ceilings, or windows. No decorations can be attached to the outside of buildings. Glitter/sequins may not be used in the Parish Hall.

Live plants are allowed, but NO asparagus ferns are permitted.

All candles must be enclosed in glass containers. Votive lights are allowed when placed inside non-flammable containers.

Balloons are to be secured to prevent them from rising to the ceiling.

Fire Exit doors and handicapped doors are to always be unobstructed.

Decorations should be free-standing and removed from the Parish Hall immediately following the event unless other arrangements have been made with the Parish Office Administrator or Facility Director.

DELIVERIES

All delivery arrangements must be made with Holy Family staff. Items will be accepted for delivery only between 8:30 am – 4:00 pm, Monday–Friday, unless otherwise arranged with the Facility Director.

DOORS

Brentwood Fire Codes require all Exit doorways to be open and no doors/Exits blocked. A clear path to the Exit doors must be always maintained.
