Excerpts of 2023 Feedback

"Merry Christmas to you all. Thank you for the cards. To those who sent notes of encouragement during this tough time for us behind these walls, I greatly appreciate them and your prayers. He is the reason for the season. May you have peace, joy, happiness, and love."

"To my Church Family and Holy Family, May God bless each of you and grant you love and peace throughout 2024. My thoughts are with you all. Wishing I could be with you in the flesh but will be with you in spirit."

"Praying your Christmas is filled with wonder. Bless you all."

"May the true meaning of Christmas bless your heart and your home. I hope and pray that you have a wonderful Christmas and a Happy New Year surrounded by those you love. Or, if they are too loud, a quiet day with a good book and some hot chocolate. Thank you for your friendship and for making another year great and memorable. Keeping you in prayer and wishing you a Merry Christmas. May God's blessing be with you in the new year."
